Lisa and Debra Mayer's Objections to Additional Investor Claims

Lisa and Debra Mayer, by their attorneys, Begos Brown & Green LLP, hereby submit the following objections to Additional Investor Claims, as reflected in the Receiver's Position in Response to Additional Investor Claims (Doc. No. 466).

The Mayers asserted comprehensive objections to the Receiver's first proposed interim distribution (Doc. No. 376), which objections the Court generally overruled (Doc. No. 432). In order to preserve their rights, the Mayers hereby reassert in connection with the Additional Investor Claims the objections stated in Document 376.
